## Principal's Corner

We are rapidly approaching the last day of school which will be on Wednesday, 5/22 for students. As we get closer to the end of this year, it is very interesting to see how much our students have grown in the past 10 months. Our staff has worked very hard to give your child the best education possible. We are proud of our staff, students, and their families for, once again making MARRS an A rated school!

Please take a few moments to note on the back of this page all of the special dates coming in May. We have a great number of activity during this month in preparation for the end of the school year. I hope you can join us for some of the fun times ahead with our students.

MARRS has grown in leaps and bounds over the past few years. Our staff is dedicated to bringing the best in science, technology, engineering, and math to our students along with an incredibly strong language arts program. It is often told to me by new parents they are astonished how high the standards are at MARRS. It makes all of us feel good when we see our children succeed in such a challenging environment. Thank you to all of our staff, parents, and students for doing your best each and every day! We wish our outgoing 5<sup>th</sup> grade students the best of luck in the future at MVJH!

## From the President

Hello-

I can't believe it's almost over. Summer Break is just around the corner. I want to remind everyone to please welcome and help out our new PTO President, Candace Meinschein. She takes over the last day of school. We still have a few opportunities for parents to sign up as committee heads for next year. The PTO is trying to wrap things up for the year. We are looking into a shelter for the students that are car riders. We are excited about our water fountain getting installed on the playground this summer! We still need some volunteers for Honor Roll Luncheon May 22 at 11 A.M. and 5th Grade Graduation May 22nd at 1 P.M. PTO is planning a lunch in the cafeteria for next year's kindergarten students. The date will be released soon. We will also sponsor three play dates on the playground this summer for next year's kindergarteners to start making friends. Watch for dates on our MARRS PTO Facebook page. The MARRS Township Trustee will be sponsoring our playground portable potty again this summer so families can use our playground for fun and exercise! Thank you to Christina Seifert. We had an amazing year from a fundraising standpoint! I want to thank everyone that helped MARRS in any way this year! Our community at MARRS is special, and I am so happy to be a part of it! Have a GREAT Summer!

Thanks for your continued support,  
Tina Boerner, PTO President
